There is no authoritative established set of one-to-one correspondences between Elder Futhark runes and Tarot. This table represents my own intuitive work. You should feel free to use these or determine your own correspondences from your experience and intuition.

English Letter / Rune Equivalents

Notes:

It's optional to use the same rune for each English vowel or to differentiate between long and short vowels.

Follow your preference to skip silent letters and use diphthongs or to transliterate every English letter.

English	Rune	Name	Pronunciation / Transliteration Notes
A	ᚱ	Ansuz	
B	ᚷ	Berkana	
C	ᚨ ᚦ	Kenaz Sowilo	Use Kenaz for hard C (Carolyn) Use Sowilo for soft C (Cecilia)
